City of Hyattsville honored with Maryland Municipal League Achievement Award

HYATTSVILLE, MD - On June 26, 2020, the City of Hyattsville was honored at the Maryland Municipal League's 2020 virtual conference with an Achievement Award for a Large City (population over 10,000) for the City's Council Recap video series. The 2020 Maryland Municipal League (MML) conference and award theme was "Reimagine Tomorrow: Imaginative Programs and Policies!". Awards recognized cities and towns that successfully implemented innovative approaches to addressing community challenges.

The City's Council Recap Video series began in 2018 as an easily accessible and engaging way to raise awareness of City Council actions. The short videos are produced by the City's Video Department and feature City staff summarizing important updates for residents with a light-hearted and informal tone. The videos are shared with the community through the City's email and text communication system (NotifyMe) as well as the City's social media channels on Facebook, Twitter, and Instagram. Videos are archived in a playlist on the City's YouTube channel.

"Everything we do on the City Council is for the greater good of the residents and affects their day to day life in the City" says Hyattsville's Mayor Candace Hollingsworth, "I'm proud of our team here in Hyattsville for thinking outside the box to reach as many residents as possible with important Council updates."

All three of this year's MML Achievement Awards were given to cities in Prince George's County, with the Medium Town Winner (population of 3,000 - 10,000) awarded to Seat Pleasant, MD for their Command and Control Center, and the Small Town Winner (population under 3,000) awarded to Brentwood, MD for their Produce for Seniors program.
