Hyattsville Police Investigate Overnight Shooting

(Hyattsville, MD) – At approximately 12:34 a.m. today, City of Hyattsville police officers responded to the report of a shooting at the 2600 block of Nicholson St. Once officers arrived on the scene, they located an adult male suffering from a single gunshot wound to his face. The victim was conscious and alert. He indicated he had driven into a parking lot and while looking for a parking space he encountered individuals in a white truck. The passenger in that truck told the victim to move his vehicle or he would kill him. The suspect then fired two shots; one bullet struck the victim. The suspect vehicle then drove away and the victim ran to a nearby apartment building for help.

Approximately 10 minutes after the initial report of the shooting, officers located an individual in the same area, recovered a handgun he was carrying and charged him with first-degree assault. The victim was taken to an area hospital and is in stable condition. The investigation is ongoing. No additional information is available at this time.
